# EPIDEMIOLOGY AND PREVENTION OF VACCINE-PREVENTABLE DISEASES

## PINK BOOK COURSE

### JUNE 14, 2017

This course provides a comprehensive overview of the principles of vaccination, general recommendations, immunization strategies for providers, and specific information about vaccine-preventable diseases and the vaccines that prevent them. Participants will receive a complimentary copy of the Epidemiology and Prevention of Vaccine-Preventable Diseases, Pink Book 13th Edition.

**Andrew Kroger, MD, MPH** - Medical Officer,  
National Center for Immunization  
and Respiratory Diseases, CDC

**JoEllen Wolicki, BSN, RN** - Nurse Educator,  
National Center for Immunization  
and Respiratory Diseases, CDC

## COURSE AGENDA

### June 14, 2017

7:15 - 8:15 a.m.	Registration and Continental Breakfast
8:15 - 8:30 a.m.	Welcome and Course Introduction
8:30 - 10:00 a.m.	Principles of Vaccination General Recommendations
10:00 - 10:20 a.m.	Break
10:20 - 12:00 p.m.	Vaccine Storage and Handling Vaccine Administration Vaccine Safety
12:00 - 12:30 p.m.	Lunch (provided)
12:30 - 2:00 p.m.	Immunization Update VPD Surveillance Update/Outbreaks Child and Adolescent Schedule Adult Schedule
2:00 - 2:20 p.m.	Break
2:20 - 4:00 p.m.	Pneumococcal Influenza ACIP Recommendations Under Discussion HPV Meningococcal
4:00 - 4:15 p.m.	Course Summary, Evaluation and Adjourn

## COURSE OBJECTIVES

**At the end of the course, attendees will be able to:**

1. Describe the difference between active and passive immunity.
2. List two characteristics of live attenuated vaccines.
3. List two characteristics of inactivated vaccines.
4. For each vaccine-preventable disease discussed, identify those for whom routine immunization is recommended.
5. For each vaccine-preventable disease discussed, describe characteristics of vaccine used to prevent the disease.
6. Describe an emerging immunization issue.

# HPV PREVENTION THROUGH PARTNERSHIPS

## JUNE 14, 2017

Join public health representatives, health care providers, and other HPV vaccine advocates to discuss prevention initiatives, opportunities to collaborate with partners, and learn what role individuals and organizations can play to increase HPV vaccine rates. Hear about the impact of HPV-related cancers from survivors and health care professionals.

Attendees of the HPV Prevention through Partnership session will be entered in a drawing to win an iPad mini to be given away at the end of the session. Attendee must be present to win!

## FEATURED PRESENTERS

**Emily K. Hill, MD** - Oncologist, University of Iowa and Hospitals

**Tamika Felder** - Founder and President, Tamika and Friends, Inc.

**Allie Bain, MPH** - Iowa Cancer Consortium

**Sara Comstock, MSSW** - American Cancer Society, Health Systems Program Manager - HPV Vaccination

**Stephen Rinderknecht, DO** - Unity Point Clinic Pediatrics

## COURSE AGENDA

### June 14, 2017

4:30 - 5:30 p.m.	Dinner
5:30 - 6:15 p.m.	Dr. Emily Hill - HPV and Cervical Cancer 101
6:15 - 7:00 p.m.	Tamika Felder - Making My Survivorship Count
7:00 - 7:15 p.m.	Break
7:15 - 7:45 p.m.	Sara Comstock and Allie Bain - HPV Prevention: Advocacy and Partnerships
7:45 - 8:30 p.m.	HPV Expert and Survivor Panel
8:30 - 8:40 p.m.	Closing Remarks/Attendance Drawing

## COURSE OBJECTIVES

**At the end of the course, attendees will be able to:**

1. Explain the link between human papillomavirus (HPV) and cancers in women.
2. Discuss current initiatives to prevent HPV-related cancers.
3. Identify partnership opportunities and organizations promoting HPV-related cancer prevention activities.
4. Describe the impact of HPV-related cancers among survivors.

# IMMUNIZATION CONFERENCE: PROMOTE. PROTECT. PREVENT.

## JUNE 15, 2017

Hear renowned speakers share the latest information on immunizations and vaccine-preventable diseases. Learn about current immunizations and vaccine issues that impact health care provider practices. Take advantage of the opportunity to network with health care professionals involved with immunization and vaccine-preventable diseases.

## FEATURED PRESENTERS

**Paul Offit, MD** - Children's Hospital of Philadelphia

**Sean T. O'leary, MD, MPH** - University of Colorado School of Medicine/Children's Hospital Colorado

**L. J Tan, MD** - Immunization Action Coalition

**Nathan Boonstra, MD** - Blank Children's Pediatric Clinic

**Nitin Pagedar, MD** - University of Iowa Hospitals and Clinics

**Stephen Rinderknecht, DO** - Unity Point Clinic Pediatrics

**Patricia Quinlisk, MD** - Medical Director, Iowa Department of Public Health

## COURSE AGENDA

### June 15, 2017

7:15 - 8:15 a.m.	Registration and Continental Breakfast
8:15 - 8:45 a.m.	Welcome, Opening Remarks and Immunization Champion Awards
8:45 - 9:30 a.m.	Dr. Paul Offit - Maurice Hilleman: A Perilous Quest to Save the World's Children
9:30 - 10:15 a.m.	Dr. Sean O'leary - Strategies to Increase Immunization Rates through Clinical Practice
10:15 - 10:30 a.m.	Break
10:30 - 11:15 a.m.	Dr. Paul Offit - Common Immunization Questions and Effective Parent Communication
11:15 a.m. - 12:00 p.m.	Dr. L. J Tan - Adult Immunization Recommendations
12:00 - 12:45 p.m.	Lunch (provided)
12:45 - 1:30 p.m.	Dr. Nathan Boonstra - Increasing HPV Vaccine Rates and Parent Communication
1:30 - 2:15 p.m.	Dr. Nitin Pagedar - Human Papillomavirus and Oropharyngeal Cancers
2:15 - 2:30 p.m.	Break
2:30 - 3:15 p.m.	Dr. Stephen Rinderknecht - Pediatric and Adolescent Immunization Update
3:15 - 4:00 p.m.	Dr. Patricia Quinlisk - Vaccine Preventable Diseases Outbreaks and Impact of Unvaccinated Populations
4:00 - 4:15 p.m.	Conference Summary, Evaluation and Adjourn

## COURSE OBJECTIVES

**At the end of the conference, attendees will be able to:**

1. Discuss Maurice Hilleman's contribution to the development of vaccines.
2. Review and incorporate the Advisory Committee on Immunization Practices (ACIP) adult vaccine recommendations in clinical practice.
3. Identify scientific resources to respond to common vaccine questions.
4. Identify barriers and opportunities to increase HPV vaccine coverage rates.
5. Review and incorporate the childhood and adolescent immunization schedule in clinical practice.
6. Explain the link between human papillomavirus (HPV) and oropharyngeal cancers.
7. Identify strategies to increase immunization rates in clinical settings.
8. Identify the impact of unvaccinated populations and financial implications of vaccine-preventable disease outbreaks.

## WHO SHOULD ATTEND

The Immunization Summit is designed to be of interest to a diverse field of health care professionals, including: nurses, nurse practitioners, pharmacists, medical assistants, public health staff, physicians, physician assistants, medical and nursing students, and anyone interested in learning more about immunizations.

## REGISTRATION

Registration is \$65 each day or \$95 for both days. Registration includes continuing education credits, conference materials and continental breakfast and lunch each day. Registration for the June 14 evening session is included as part of registration for either day of the Immunization Summit. The registration deadline is June 7, 2017.

Register online at [trainingresources.org](http://trainingresources.org) or call Training Resources at 515-309-3315. If not registering online, add a \$20.00 data entry fee.

Confirmation will be emailed to those who register by the deadline and provide a valid email address. Participants should pay particular attention to confirmation emails as specific directions or cancellation information for the Immunization Summit will be included.

There is a \$35.00 processing fee for cancellations received by June 8, 2017. If payment has been received, you will be refunded the amount minus the \$35.00 processing fee. NO refunds for cancellation will be made after June 9, 2017. Persons who pre-register but DO NOT attend the Immunization Summit are responsible for full payment of the registration fee.

## CONTINUING EDUCATION

**Continuing education applications have been submitted for the following:**

- CEU, Nurses
- CPE, Pharmacists
- CME, Physician and Physicians Assistants
- CMA (AAMA), Certified Medical Assistants
- CHES, Certified Health Education Specialists

## INFORMATION

For additional information, contact Training Resources at [trainingresources.org](http://trainingresources.org) or 515-309-3315.

## SPONSOR

The Immunization Summit is sponsored by the Iowa Department of Public Health, Immunization Program. Funding for this conference was made possible (in part) by the Centers for Disease Control and Prevention (CDC). The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.

## IMMUNIZATION SUMMIT INFORMATION

**Meals:** A continental breakfast and lunch will be provided each day. An evening meal will be provided on June 14. Meals will include vegetarian choices, and special dietary options are available if requested by the registration deadline.

**Attire:** Casual dress is appropriate. Participants are reminded to bring a jacket or sweater as the temperature in the meeting room may vary.

# EXHIBITORS

There will be a variety of product and service-related exhibits available at the conference.
